
RIGOROUS COURSES

History and English Language Arts
GATE Cluster and Seminar Courses

Spanish 1,2 and Spanish 3,4

Advanced Music classes

ENGAGING CURRICULUM

Common Core Curriculum prepares students for success in college and the career of their choice.

Next Generation Science Standards encourage students to participate in the process of science and engineering by constructing explanations and designing solutions. STEM is also supported through our Intro to Coding and MESA electives, as well as our Robotics program.

ELECTIVE PROGRAM

AVID

AVID is a course which prepares students for 4-year colleges and universities. Students learn strategies for organization, participate in tutorials, listen to guest speakers, participate in field trips and community service activities. Students learn skills that improve collaboration, note-taking, and enhance reading and writing capabilities.

MUSIC

Knox's robust music program includes: Guitar, Beginning and Advanced Orchestra and Beginning and Advanced Band.

ART

Knox Middle is part of a Title 1 Arts grant to integrate arts into our History curriculum.

ELECTIVE PROGRAM

ASB

Our ASB Student Government is an enthusiastic, dedicated and resourceful group of students that represent the entire student body. ASB plans activities such as school pep rallies, dances, and fundraisers. Students lead activities that foster school spirit.

YEARBOOK

Yearbook students document events that happen during the school year, in a printed yearbook.

MESA

(Math, Engineering & Science Achievement)

Students explore careers in the STEM field, and participate in STEM competitions, preparing students for careers of the future.

INTRO TO CODING

Students will learn computer programming through Project Lead the Way's Computer Science Modules.

BROADCASTING

Advisory students will develop, film and edit our weekly, Knox school news broadcast highlighting school events.

EXTRA CURRICULAR ACTIVITIES

Track and Field Club, Gardening Club, Primetime sports and clubs, Robotics Lego League, ASB, Yearbook, Fishing, and CJSF.

ACADEMIC SUPPORT

Academic Language Development

Guided Reading

Step Up and Online Math Support

English as a Second Language

Lunchtime Study Lab

Saturday School Tutoring

Organization through the use of a daily planner and AVID binder.

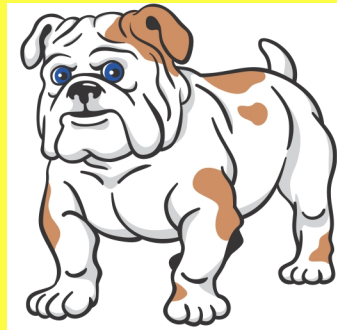

LOGO- Student laptops with 3G Internet Access.

Primetime Homework Support

FIELD TRIPS

High Tech Fair, Science Museums, Qualcomm Think-A-Bit Lab, College Tours, The Midway, Mission Trails, Tijuana Estuary, Balboa Park, Birch Aquarium, UCSD AVID Trip, Natural History Museum, and the Earth Lab.

Primetime Available
